

Week	Term 1		Term 2		Term 3		Term 4		
1	Number and place value	NA701 The Four Operations Number and place value (VCMNA209)	Real numbers	NA708 Adding and Subtracting Fractions Real numbers (VCMNA243)	Introduction to algebra	NA705 Laws of Arithmetic Number and place value (VCMNA240)	Linear relationships	NA720 The Cartesian Plane Linear and non-linear relationships (VCMNA255)	
2		NA706 Adding and Subtracting Integers Number and place value (VCMNA241)		NA709 Multiplying and Dividing Fractions and Decimals Real numbers (VCMNA244)		NA716 Variables in Algebra Patterns and algebra (VCMNA251)		NA721 Solving Simple Linear Equations Linear and non-linear relationships (VCMNA256)	
3		NA702 Index Notation Number and place value (VCMNA238)		NA713 Finding Percentages Real numbers (VCMNA248)		NA718 Applying Laws of Arithmetic to Algebra Patterns and algebra (VCMNA253)		NA722 Travel Graphs Linear and non-linear relationships (VCMNA257)	
4		NA703 Prime Factorisation Number and place value (VCMNA238)		NA714 Ratios Real numbers (VCMNA249)		NA717 Substitution in Algebra Patterns and algebra (VCMNA252)			
5		NA704 Square and Cube Numbers Number and place value (VCMNA239)				NA719 Design and Implement Mathematical Algorithms Patterns and algebra (VCMNA254)			
6	Fractions, decimals and percentages	NA707 Equivalent Fractions Real numbers (VCMNA242)	Financial maths	NA715 Discounts Money and financial mathematics (VCMNA250)	Introduction to data	SP703 Primary and Secondary Data Data representation and interpretation (VCMS268)	Geometry	MG708 Defining and Identifying Angles Geometric Reasoning (VCMMG264)	
7		NA710 Expressing Quantities as Fractions Real numbers (VCMNA245)		MG701 Formulas for Areas Using units of measurement (VCMMG258)				MG703 Views of Prisms and Solids Shape (VCMMG260)	MG709 Investigating Parallel Lines Geometric Reasoning (VCMMG265)
8		NA712 Converting Between Fractions, Decimals and Percentages Real numbers (VCMNA247)		MG702 Calculating the Volume of Rectangular Prisms Using units of measurement (VCMMG259)				MG706 Classifying Triangles and Quadrilaterals Geometric Reasoning (VCMMG262)	
9		NA711 Rounding Decimals Real numbers (VCMNA246)	Probability	SP701 Sample Spaces Chance (VCMS266)				MG707 Angle Sums of Triangles and Quadrilaterals Geometric Reasoning (VCMMG263)	
10				SP702 Assigning Probability Chance (VCMS267)				MG704 Reflections and Translations Location and transformation (VCMMG261)	
							Transformations	MG705 Rotations Location and transformation (VCMMG261)
